

# Virtual Play Date

Although it's important to physically distance during this pandemic, it's just as important to our overall health and wellbeing to maintain social connections and to engage in fun activities. **Main Line Therapy Solutions** is offering a virtual and supervised social play group to help facilitate positive peer interactions while remaining in the safety of your home.

**Wednesdays: 2 to 3 p.m.  
5 to 6 p.m.**

**Ages 9-12 - girls and boys**

**Fun On-Line Social Experience Utilizing  
Games, Activities and Conversation  
Facilitated by mental health professionals  
Cost: \$10 pp (prior registration required)**

**Facilitators:**

Charles Scott, MA, PC & Christine Gale, MA, PsyD Intern
