The Good Faith Estimate does not include any unknown or unexpected costs that may arise during treatment. You could be charged more if complications or special circumstances occur. If this happens, federal law allows you to dispute (appeal) the bill.

If you are billed for \$400 more (per provider) than this Good Faith Estimate (GFE), you have the right to dispute the bill

You may contact **Main Line Therapy Solutions** at the contact listed above to let them know the billed charges are at least \$400 higher than the GFE. You can ask them to update the bill to match the GFE, ask to negotiate the bill or ask if there is financial assistance available.

You may also start a dispute resolution process with the U.S. Department of Health and Human Services (HHS). If you choose to use the dispute resolution process, you must start the dispute process within 120 calendar days (about 4 months) of the date on the original bill.
